

DARE GREATER

Like Rebecca Corbin

Despite the pandemic, this Founder & CEO of Corbin Advisors has proudly seen her firm grow in Farmington, CT. When businesses around the country were shuttering, she pushed forward, embracing her inner "spikiness" to expand her offices, hire more staff, and exceed her company's goals.

Despite opportunities to move her business, Corbin remained, "pro-Connecticut", choosing to stay where she knew she could find the educated and driven talent she needed to continue to excel.
